DESCRIPTION

24 × 36 in | Oil on canvas | 2026

Divine Outcast reimagines women from mythology, religion, and art history whose stories were distorted by fear, shame, or misunderstanding. These portraits give them back their voices. Not as symbols or warnings, but as women reclaiming their own narratives.

Diana was goddess of the hunt, the moon, and the forest, but also a protector of women. This portrait

imagines her sacred space as one of female intimacy, loyalty, and chosen belonging. Two women stand together, vulnerable yet protected. It is a quiet ode to the power of women choosing one another.
