DESCRIPTION

Set of six square-seat stools in solid larch, designed by Charlotte Perriand for the Les Arcs ski resort around 1985.

Created for the Aiguille Grive Residence, this model reflects the simple and functional furniture developed by Perriand for mountain interiors. The straightforward geometry, visible joinery, and natural warmth of larch express her search for rational and enduring design.

Provenance: Aiguille Grive Residence, Les Arcs 1800.

France, circa 1985.
