Depth: 29 cm (11.4")

DESCRIPTION

Four-legged stool in solid pine, France, 1970s.

The thick circular seat rests on slightly splayed cylindrical legs, giving the piece great stability. The warm honey-toned patina highlights the natural grain of the wood, reflecting the honest, functional aesthetic characteristic of Alpine and modernist interiors from the 1970s.

Shows light wear consistent with age and use.

Origin: France, circa 1970.
