Weight: 3.3 kg

DESCRIPTION

Stool designed by Sigune Daläge in 1958 for Meisterkreis Hannover, Germany.

Made of teak with a woven rush seat, it combines a lightweight frame with four tapered legs and a generously proportioned rectangular seat. Its simple lines and use of exposed wood and natural fibres place the design within the context of post-war European modernist furniture, characterized by lightweight and functional construction.

Manufacturer: Meisterkreis Hannover, 1958.
