DESCRIPTION

Pair of "Diabolo" planters by Willy Guhl Switzerland, circa 1950.

A postwar classic of Swiss design, the "Diabolo" planter is one of Willy Guhl's most iconic creations. Made from molded fiber cement, this pair stands out for its sculptural form and balanced geometry, designed for both indoor and outdoor settings.

Their striking silhouette and raw material reflect Guhl's collaboration with Eternit, a key player in modern cement design.

Manufacturer: Eternit AG, circa 1950.
