

Luminator Floor Lamp by Robert Mallet-Stevens Paris, circa 1930

Robert Mallet-Stevens

Sold

REF: 7258

Height: 170 cm (66.9")

Diameter: 28 cm (11")

DESCRIPTION

Modernist floor lamp "Luminator" in nickel-plated metal, attributed to Robert Mallet-Stevens, circa 1930, and produced by Luminator in Paris.

It features a wide stepped base, a thick cylindrical shaft with integrated switch at the top, and a three-tier inverted reflector. The piece is complete with its inner metal bowl and cast-iron weight.

Marked with a "Luminator Français Paris" plaque on the inner reflector.

Manufacturer: Luminator Français, Paris, circa 1930.
