

Swiss Floor Light by Ueli and Susi Berger for Baltensweiler, circa 1970
Ueli Berger

€1,450

REF: 6916

Height: 180 cm (70.9")

Diameter: 40 cm (15.7")

DESCRIPTION

Rare floor lamp designed by Swiss designers Susi & Ueli Berger.

The lamp features a cylindrical chrome metal base supporting an aluminum stem, which extends to a graceful gooseneck that allows for adjustable positioning of the semi-conical perspex diffuser. This unique design ensures both functionality and elegance, with a height that can be varied to suit different spaces and needs.

Manufacturer : Baltensweiler AG, Switzerland, circa 1970.
