

Brushed aluminum and plexiglass table lamp, circa 1970

Sold

REF: 7639

Height: 29 cm (11.4")

Width: 15.5 cm (6.1")

Depth: 10 cm (3.9")

DESCRIPTION

1970s table lamp, in the style of Philippe Jean, a leading figure of French experimental design of the era.

It features a brushed aluminum structure forming a minimal geometric volume, intersected by a translucent plexiglass band that softly diffuses the light. The interplay between satin metal and clear material produces a refined luminous effect, typical of the sculptural and architectural aesthetics of 1970s design.

France circa 1970.
