

Crystal table lamp by Daum, France, 1970s

€300

REF: 8256

DESCRIPTION

Crystal table lamp manufactured by Daum, featuring a substantial clear solid crystal base with a slender stem rising from an organically sculpted foot. The interplay of smooth surfaces and faceted volumes enhances the optical qualities of the crystal, while its restrained design reflects Daum's renowned craftsmanship in decorative crystal during the second half of the twentieth century.
