

Turned wood and natural fiber lamp, France, circa 1960

€650

REF: 8079

Height: 78 cm (30.7")

Diameter: 50 cm (19.7")

DESCRIPTION

Table lamp produced in France circa 1960.

The turned wooden base features a slender organic silhouette resting on a discreet circular foot. The conical lampshade is fully covered with woven natural fiber, creating a warm textured light.

France, circa 1960.
