DESCRIPTION

Articulated lamp, model Gédéon, designed by Martine Bedin, a French designer and co-founder of the avant-garde Memphis Milano group in 1981.

With its bold design, this lamp features a polychrome lacquered metal structure and an innovative mechanism. The base, shaped like a curved arc, allows for precise adjustment of the tilt via a lower roller, while the adjustable shade

provides flexible lighting options. A perfect blend of functionality and sculpture, this piece adds a distinctive touch to any interior.

Manufacturer: Megalit, Italy circa 1980.
