Depth: 64 cm (25.2")

DESCRIPTION

Carved solid oak chandelier produced in the 1920s.

The structure is centered around a carved female figure supporting a series of curved wooden arms. Each arm holds an opaline glass shade, providing a soft diffused light. The piece is suspended by decorative cords, enhancing its handcrafted character.

This model reflects interwar decorative production, combining classical influences with a strong emphasis on sculpted

wood.

France, 1920s.
