DESCRIPTION

Rare hanging cabinet designed by Charlotte Perriand for the Residence La Nova in Les Arcs. Passionate about mountains, Charlotte Perriand devoted nearly 20 years of her life to the design and development of this ski resort in the French Alps.

It opens with three large doors in solid pine slats with large rectangular handles, which leave room for a wardrobe and shelves on the right side.

Similar model visible on the study models of the two-room apartments of the Nova.
