DESCRIPTION

Pair of nightstands from Les Arcs, France, made in the 1970s for the residences of the Les Arcs 1800 ski resort.

These bedside tables are crafted from solid pine, a local wood that brings warmth and authenticity. Their simple and clean design features traditional dovetail joints, ensuring strength and durability. The top, slightly aged with a natural patina, and the pine legs highlight the rustic charm of mountain furniture, both practical and elegant.

Provenance: Les Arcs.
