DESCRIPTION

The PK71 model nesting tables, designed by Poul Kjaerholm in the 1960s, are famous for their minimalist and elegant design. These nesting tables can be arranged in various ways to create versatile and aesthetic sets. Paired with another pair available for sale, they offer the possibility of creating a set of 4 tables, providing a contemporary touch to any living or working space.

The structure is crafted from matte chrome-plated steel with a white acrylic top, elegantly combining durability with

modern aesthetics. Marked with DENMARK.

Manufacturer : E. Kold Christensen, Denmark, circa 1965.
