DESCRIPTION

Pine bunk beds originating from the Les Adrets residence at the Les Arcs ski resort in the French Alps.

The structure is entirely made of pine and consists of four vertical uprights supporting two sleeping levels with slatted bed bases. The sides and upper bunk are bordered by long horizontal rails. The different elements are assembled with bolts, allowing the structure to be dismantled and reassembled.

This simple, robust and functional construction responds to the spatial requirements of the resort apartments, where optimizing the available living space was an essential aspect of the interior design.

Provenance: Les Adrets residence, Les Arcs. Flat furbished by Charlotte Perriand.

France, circa 1970.
