

Murano "Gill" Glass Lamp by Roberto Pamio, Leucos, circa 1962

Roberto Pamio

Sold

REF: 3472

Height: 16 cm (6.3")

Diameter: 30 cm (11.8")

DESCRIPTION

Price per lamp.

Sconces "Gill" lamp in blown Murano glass, designed by Roberto Pamio in 1962. The diffuser is in transparent and white two-tone blown glass for a very nice graphic effect. They can be used as sconces, ceiling or table lamps.

The hanging support is in plastic with the manufacturer's brand molded.

Manufacturer: Leucos Design Lab, Italy, 1962.
