DESCRIPTION

Exceptional pendant light designed by Hans Agne Jakobsson in the 1960s, known as the "Moon Lamp".

Rare with its triple shades, it is composed of three lampshades in thin strips of pine veneer, fixed on a metal frame.

The slats can be arranged in different ways to create different lighting moods.

Some traces of restoration, but good general condition consistent with the age of the piece.

Manufacturer : AB Markaryd, circa 1960.
