DESCRIPTION

Divan 2, Pendant, designed by Simon Henningsen, son of the renowned designer Poul Henningsen, circa 1962.

Part of the iconic "Divan" collection created for the Tivoli Gardens restaurant in Copenhagen, this pendant features trapezoidal-shaped pendants in varying sizes, crafted from multicolored lacquered stainless steel (red, blue, violet, beige). The design creates a captivating play of light, casting a warm, inviting glow. The reflective surfaces of the pendants beautifully capture and diffuse natural light, enhancing the overall visual effect, especially at night.
