

A Vase by Robert and Jean Cloutier, circa 1950

Robert Et Jean Cloutier

€250

REF: 5572

Height: 10 cm (3.9")

Diameter: 10 cm (3.9")

DESCRIPTION

Jean and Robert Cloutier, the twin brothers of French ceramics, worked closely together for many years, creating unique pieces that marked the world of ceramics.

Here we find a small glazed ceramic ball vase with a rotating decoration of brown lines on a shaded background, all in shades of green and brown. We like the short, off-center hemmed neck.

Incised signature under the base, RJ Cloutier.

Circa 1960.
