

Red Hexagonal Table, Switzerland circa 1970

€600

REF: 8376

Height: 73 cm (28.7")

Diameter: 79 cm (31.1")

Weight: 11.5 kg

## DESCRIPTION

---

Table with a red hexagonal top, circa 1970.

The top, with slightly rounded corners, rests on a central metal column terminating in a four-star base. Its compact proportions and central pedestal make it particularly suited to café or bar use.

Circa 1970.
