## DESCRIPTION

---

Enhance your interior with a touch of originality with this coffee table designed by the renowned Italian designer Giovanni Offredi for Saporiti in the 1980s.

Crafted from striking mottled maple burl, this table features a generous 47.2-inch top, elegantly supported by four semi-cylindrical legs. Offredi's meticulous design showcases a sophisticated interplay of materials and forms,

reflecting his commitment to both luxurious aesthetics and functional elegance.

The piece shows a few minor imperfections, adding to its unique character and charm.

Manufacturer : Saporiti, circa 1980.

Bibliography: Domus 607, 06/1980, p. 11.
