Description

JESSICA GALE
Sentinel

Acrylic paint and Indian ink on copper
20 x 25 cm

£520

"Sentinel is inspired by the rugged coastline of Newfoundland, where rocks emerge from the sea and form an ever-changing boundary between land and water.
Painted in Indian ink and acrylic on copper, the work focuses on the forms of the rocks along the coast. One larger rock stands apart from the others, appearing almost as a solitary figure keeping watch over the water. The title Sentinel reflects this sense of quiet guardianship, while the copper surface echoes the elemental quality of the landscape and the ancient geology beneath it."
