Description

The Caddy spoon has an unusual, large, circular bowl, with serrated edge and the reverse is beautifully cut with a large circular panel of diamond point designs. The circular handle is unusually at a 45 degree angle to the bowl and also has a serrated edge and central panel cut with diamond point design. This was formerly in the Captain John Norie Collection of Caddy Spoons and is illustrated in "Caddy Spoons" by Captain John Norie, Plate 119, figure c. Length: 2.9 inches, 7.25 cm. Diameter of the bowl: 1.9 inches, 1.9 inches, 4.75 cm.
